TREKKING ALONG A WILD & SPECTACULAR SECTION OF THE GREAT WALL

For the active and energetic, one of the best ways to see the Great Wall is to walk it and with nearly 4,000 miles of actual wall we need to be selective! The most scenic section to trek within reach of Beijing is at Jinshanling. The trek involves about 6km of walking along the wall itself which averages 4 hours. This is the best way to see and absorb yourself in China's best known sight, get some superb photos and avoid the tourist crowds.

Return to your hotel with the rest of the evening free or just ask us for suggestions of shows or cultural activities.

TOP TIP: Bring decent shoes, sunglasses and hat for the trip to the Wall and remember that it is always a good 5 degrees centigrade cooler at the wall than in downtown Beijing.

TEMPLE OF HEAVEN, TIANANMEN SQUARE, FORBIDDEN CITY & SUMMER PALACE

Today you will see the main highlights of Beijing starting with the Temple of Heaven, considered by many to be the most beautiful building in China. On to vast Tiananmen Square, home to the Mao Mausoleum (it may be possible to visit if open) and Monument to the People's Heroes before walking to the huge palace complex of the Forbidden City. We'll walk up the middle axis from South to North taking in the splendour of the most important central buildings before finishing in a small and ancient garden by the north gate.

The last stop today is at the Summer Palace to the west of Beijing. Dominated by Kunming lake it is as popular an escape from the city for today's Beijingers as it was for the Imperial court over the centuries.

Return to your hotel with the rest of the evening free or just ask us for suggestions of shows or cultural activities.

EXPLORE OLD BEIJING BY CYCLE RICKSHAW STOPPING AT PRINCE GONG'S MANSION BEFORE A BULLET TRAIN TO XIAN

Step back in time with a trip by cycle rickshaw through some of Beijing's ancient residential Hutongs - the heart and soul of the city. The Hutongs surround the Forbidden city and the closer you lived to the Emperor the more important you were socially. Today the Hutongs are preserved in the centre of Beijing and provide a fascinating insight into traditional Chinese city life. There is also luxury in the Hutongs and we visit Prince Gong's Mansion, an extravagant residential complex of gardens and pavilions built in 1777.

After the tour a transfer to the station to catch a bullet train. Reaching speeds of over 300 km/hour the overall trip is on a par with flying with the added bonuses of views from the window and being able to stretch your legs.

Late afternoon arrival in Xian, China's Tang Dynasty Capital and terminus of the Silk Road with a transfer to your hotel to overnight.

TERRA COTTA ARMY, BIG WILD GOOSE PAGODA, CITY WALLS & MUSLIM QUARTER

Today visit one of China's most extraordinary sights, the Terra Cotta Army built by China's first Emperor Qin Shi Huang in 246 BC. Several thousand of the life-sized soldiers are on display and, with no two soldiers looking alike, make for a truly impressive spectacle.

We also visit a relic of the Tang Dynasty, the Big Wild Goose Pagoda, home to some of the most famous Buddhist scriptures in China. It is possible to climb the pagoda - you will need to buy a ticket locally if you wish to do this - for views over Xian. Continue to the 14 km Ming Dynasty City Walls which are up to 18 meters thick at the base and 12 meters in height. It is possible to hire bicycles and ride some sections of the wall - local rental payment required.

Finish the day with a wander through Xian's vibrant Muslim quarter, including a visit to the Great Mosque, unusually built entirely in the Chinese architectural style. This area is an excellent place to souvenir shop.

PLEASE NOTE: Since 2019 we can only travel as far as to Rombuk monastery as tourists are no longer allowed up to the Base camp area which was a short journey further on. Despite the inevitable cold it is well worth trying to get up just before dawn to catch the sunrise on Everest. Shishapangma and Pekutso Lake. After passing Ghungtang Lhamo (5236m), we will finally arrive in Kyirong in late afternoon.

The scenery rapidly changes as the altitude decreases, greening up and becoming lush and by the time the border town, perched on the steep mountainside, is reached. The world looks a very different place to what it did this morning as you prepare for your last night in Tibet.

ENTERING NEPAL, THE LUSH KATHMANDU VALLEY & CHANGE OF CULTURE

After breakfast drive the 25km to the actual border and say goodbye to your Tibetan driver and guide. Pass through China immigration and walk across the short stretch of no mans land to Nepalese immigration in the town of Rasuwagadhi where your driver will be waiting for you. If you need to obtain a Nepal visa now is the time to do that. The 130 km 5 to 6 hour drive down to Kathmandu is initially through stunning lush mountain scenery which steadily becomes more tropical and couldn't be further removed from the dry Tibetan Plateau.

Far more India than China, Kathmandu makes Chinese cities look exceptionally well ordered! Life appears frantic and chaotic here. Long a travellers mecca for Himalayan trekking, Kathmandu has mastered the art of providing creature comforts to the weary traveller. The city is culturally rich and beyond it the rest of Nepal and the sub-continent awaits! Your driver will drop you at the hotel in Kathmandu with the rest of the day free.

- **Our pricing policy:**

We believe that the the pricing for this tour offers excellent value for the services and standards we operate and we frequently check our pricing against that of other operators. If you feel you have a similar quote that is of a lower price we are happy to reconsider our pricing for you if you can forward the other quote so we can fairly compare. We would add that in our experience we usually find some differences that, although they may appear subtle, make both a significant difference to the price and, more importantly, the quality of the trip experience.

ESSENTIAL CHINA INFORMATION, TIPS & FREQUENTLY ASKED QUESTIONS

HOW FAR IN ADVANCE DO I NEED TO BOOK?

We suggest a minimum of 3 months but most people book further ahead than that to take advantage of competitive international flight pricing which tends to be cheaper the further in advance you book. For some of the smaller and popular boutique style hotels in China you will often need to book at least 6 months in advance to ensure availability.

WHAT HAPPENS ONCE I BOOK?

On completing our booking forms we will make all the necessary reservations and confirm availability with you and issue an invoice for the deposit payment (or full payment if it is less than 60 days before your trip start date). About 1 month before your trip starts we send you our Trip Guidebook which covers all the information you need to know about your trip including emergency contact numbers and hotel details.

WHAT ARE YOUR PAYMENT TERMS & CONDITIONS?

On receipt of a booking confirmation from us we require a deposit payment of 20% per person plus any international airfares. 60 days before departure we require the balance to be settled. You can read our full booking terms and conditions by [clicking here](#). We accept credit card payment and debit card as well as bank transfers.

WHAT CLOTHES SHOULD I BRING?

This is dependent on the time of year. In the summer it is hot almost everywhere so light and well ventilated summer clothing is essential as well as protection from the sun - sunglasses and a hat. Autumn and spring can be a bit unpredictable but if the weather is good it will be the same as you would wear on a good summers day in the UK. Winters are cold and layers of warm clothing are the way to go. China is not so formal for dress although respect should be shown in temples.

WHEN IS THE BEST TIME TO VISIT CHINA?

It is generally considered that the April May and September October periods off the best weather and best chance of clear skies. This doesn't stop many people visiting in the summer months or winter though. China is so big that it has something for any time of the year.

DO YOU OFFER GROUP TOURS IN CHINA?

Very rarely will we offer group tours (the exception are the Li River and Yangtze Cruises as these are by their very nature group trips). Group tours (even small group tours) have quite a bad reputation in China for wasting your precious time on what we call "shoppportunities" (unwanted shopping stops) making private tours a far better option.

DO I NEED A VISA?

Almost all nationalities including US, UK, Australian, Canadian and European citizens. [Click here](#) to see more information on the visas.

IS MY MONEY PROTECTED IF I BOOK WITH YOU?

Yes, all trips booked with us have financial protection through our ATOL license (10287) or insurance we have to cover non-flight bookings. We are also members of ABTA (Y1699) and abide by their code of conduct.

HOW MUCH SPENDING MONEY DO I NEED?

With a full touring program, hotels, transport and transfers booked through us you won't need that much spending money. We generally advise a minimum of £20 a day per person to cover drinks, and an evening meal if that isn't included. You can, of course, spend much more with top restaurants having close to international pricing. Then there are souvenirs and shopping to consider!

ESSENTIAL CHINA INFORMATION, TIPS & FREQUENTLY ASKED QUESTIONS

IS CHINA SAFE?

China is one of the safest countries to visit and in many respects safer for tourists than Western European or North American destinations. Crime against foreigners is very rare and providing common sense is used you should not have any problems. Of course, keep an eye on your pockets and bags in crowds.

WHAT CURRENCY SHOULD I BRING?

Euros, US Dollars and UK Pounds are all accepted for exchange in China although avoid Travellers Cheques as these are hard to exchange. Most people will make use of ATMs which are easy to find and increasingly, you can obtain Chinese yuan before your trip in airports or Post Offices and currency exchange booths. More details on Chinese money and costs can be found by clicking here.

CAN YOU BOOK INTERNATIONAL FLIGHTS ?

Yes, as we hold an ATOL license (number 10287) we are permitted by the Civil Aviation Authority in the UK to book flights on behalf of our clients. We are a British Airways preferred operator but also book with other airlines to get the best deals and routes for our clients.

ARE YOUR TRIPS SUITABLE FOR CHILDREN

China can be a rewarding experience for children. We can advise in more detail what we feel would be the most suitable options depending on the ages of your children and your particular circumstances. We also offer family specific trips you can [view here](#). For pricing purposes anyone 12 years and over at the time of the end of their trips with us is considered an adult.

MEDICAL ADVICE & VACCINATIONS

Our trips are designed for anybody with a reasonable standard of fitness. Where we believe there are special requirements this is mentioned in the trip information. We can cater for clients with disabilities and adapt trips accordingly and we can also cater for different dietary requirements if informed at the time of booking. There are no specific vaccinations required to enter China but you are advised to contact your local travel clinic or doctor as there may be requirements in certain cases that are dependent on your own medical history. A good resource to check requirements is [NHS Fit For Travel](#).

DO YOU SELL TRAVEL INSURANCE?

As a booking condition we require all clients taking our trips to have their own insurance against all possible medical costs whilst abroad. We recommend Citybond Suretravel travel insurance which you can get a quote for by [clicking here](#). Note that we get a small commission on each policy taken out.

PLUGS, ELECTRICITY, INTERNET & WIFI

Voltage in Mainland China is 220V, 50 Hz. A variety of electrical outlets can be found in China and can accept the standard Type A and common Type I plugs as well as Type C plugs. Most hotels will have WiFi in public areas and paid internet in rooms.

IS THERE ANYTHING ELSE I SHOULD BE ASKING?

Almost certainly! We fully expect you will have many more questions and we are here to answer them so please do not hesitate to [contact us](#) as, after all, that is what we are here for!
